Make a credit card payment

Use the billing portal to make one time credit card payments. You can pay your bill in increments, pay your entire bill, or pay the total amount due for your account.

To make a credit card payment:

1. On the menu bar, click **Payment Options**.
2. On the Make a Payment page, under Payment by Credit Card, indicate whether you want to pay the total amount due, pay a specific bill, or pay another amount, and then click **Next**.

Note: If you are paying a specific amount, do not enter currency characters.
