Sign in to the Billing Portal

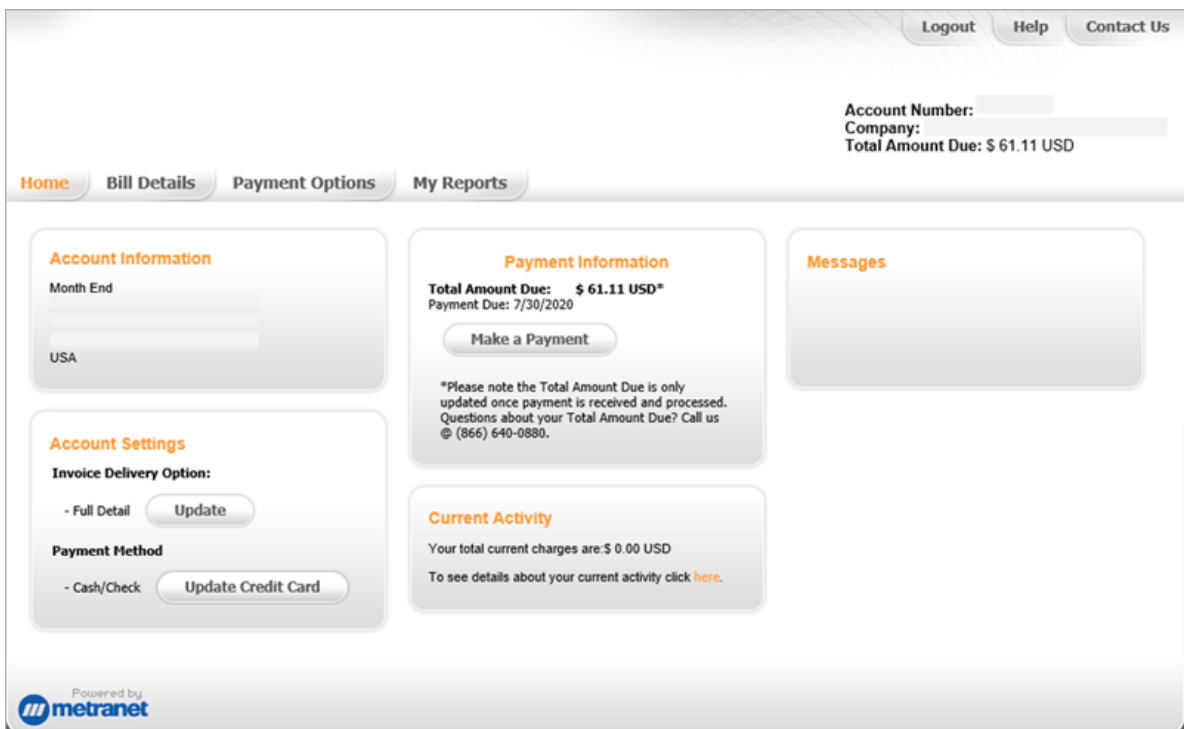

You can sign in to the Billing Portal using the client ID and password for your billing account found in your welcome email. If you do not know your client ID, you can also use your account number (bill to ID).

To sign in to the Billing Portal:

1. Open a browser and go to the [Billing Portal](#).
2. Select your region, enter your client ID or account number, enter your password, and then click **Log In**.

The home page is displayed.

Note: If your billing portal looks different from the image below, your account may be on our regional billing portal site.

The screenshot shows the Billing Portal home page. At the top right, there are links for [Logout](#), [Help](#), and [Contact Us](#). Below these, the account information is displayed: **Account Number:** [redacted], **Company:** [redacted], and **Total Amount Due: \$ 61.11 USD**. A navigation bar contains [Home](#), [Bill Details](#), [Payment Options](#), and [My Reports](#). The main content area is divided into several sections: **Account Information** with fields for Month End and USA; **Account Settings** with options for Invoice Delivery (Full Detail) and Payment Method (Cash/Check); **Payment Information** showing a Total Amount Due of \$ 61.11 USD and a Payment Due date of 7/30/2020, with a [Make a Payment](#) button; **Messages**; and **Current Activity** showing a total of \$ 0.00 USD. A footer note states: "Please note the Total Amount Due is only updated once payment is received and processed. Questions about your Total Amount Due? Call us @ (866) 640-0880." The page is powered by metranet.
